The Village at Mercy Creek continues to monitor associates and residents, following CDC-regulated standards for infection control and to prevent any spread of the virus. The staff continues to maintain proper PPE recommendations and protocol, as defined by the local and state health departments and the CDC. We will continue to regularly test associates and residents, as required by the local health department. Please note: Window visits are still allowed for assisted living.

We understand that this is a time of anxiety and unknowns for the safety of you or your loved ones. 100% of our efforts are dedicated towards the safety of your loved ones. Should you have any questions, please visit our Village at Mercy Creek Facebook page for daily updates and information. For additional information, please visit the CDC's coronavirus disease information page.

The safety of our residents and associates continues to be our most important concern.

Sincerely,

Judy Amiano, President & CEO - Franciscan Ministries
